The European Union For Georgia

**Strengthening the administrative capacities of the Ministry of Environment and Natural Resources
Protection of Georgia for approximation and implementation of the EU environmental 'acquis' in the fields
of industrial pollution and industrial hazards**

EU Twinning Project GE 14 ENI EN 02 16 (GE/24)
This project is funded by the EU

**Draft agenda
Study visit to the Galicia (Spain)
Mission 3.3.4
24th – 29th of June 2018**

MS Experts: Jose Francisco Alonso Picón, Manuel Salgado and Iñaki Bergareche (ES)

Objectives:

- To give Georgian representatives the opportunity to compare and contrast how competencies and functions regarding IPPC installations, including inspections, are conducted in the Galicia with Georgia.
- Visit to the Competent Authorities regarding installations IPPC located in the Galicia.

Outputs of mission:

- The Georgian representatives shall submit a Study visit report to the MS PL, RTA and BC PL.
- The report shall highlight the differences between the implementation of the provisions regarding Seveso installations, including inspections, in the Czech Republic and in Georgia. The report should also include proposals to improve the procedures regarding Seveso installations, including inspection procedures, in Georgia.

AGENDA

Sunday 24th of June

- Arrival of Georgian delegation to Porto (Portugal). 14,35 h
- Welcome and transport to hotel .
